

NYS Ornithological Association Annual Meeting Call for Presentations and Posters

The Chemung Valley Audubon Society is soliciting proposals for oral presentations and for posters for the Scientific Sessions at the 2016 NYS Birders Conference and New York State Ornithological Association Annual Meeting in Elmira, New York, September 9-11. The paper session will be Saturday afternoon, September 10. Students (graduate, undergraduate, and high school), as well as professional and non-professional people interested in birds are encouraged to share recent research on such topics as avian behavior life history, ecology, migration, or the effects of climate change, land use, invasive species, and disease on bird populations. Meeting registration fee will be waived for STUDENT presenters.

Talks are limited to 20 minutes including questions. A room for posters will be available for setup Friday afternoon prior to the beginning of the conference. Please submit abstracts for oral presentations to Martin Borko, mborko@stny.rr.com, by August 19. Please submit abstracts for posters to Michael Powers, noflickster@gmail.com by August 19. **DEADLINE EXTENDED!**
