

## NEW YORK BIRD LIST REPORTS 2002

compiled by **Berna B. Lincoln**  
 PO Box 296, Somers NY 10589  
 BernaLincoln@aol.com

Last year, when I listed the people who have participated every year since we started this activity in 1992, I left out three of the faithful. They are **Sue Adair**, **Bill Krueger** and **Bill Ostrander**. Belated apologies to them.

**Bill Broderick**, having reached the 100 species threshold in Region 9, joins the half dozen others reporting from all ten Regions.

**Dave Russell** finally made it into Nassau and Richmond counties, making him the thirteenth person to report from all 62 counties. He gave his son, **Mark Russell** (whose lists are marked with ■, denoting under-18 reporter), a wished-for December pelagic trip for Christmas and it was a huge success. Dave got some lifers, but watching Mark's enthusiastic reaction to the ocean, the dolphins and the birds was even more joyful. Mark, still pre-teen, now has lists in 43 counties.

**Bill Cook**, who has been doing impressive Atlas work, added reports from 16 new counties this year. Two out-of-staters, **David Harrison**, from New Jersey, and **Hugh Kingery**, from Colorado, have also been doing Atlas field work and adding to their county lists in the process. A group from Sullivan County decided to do a "Big Year" in the county, rather than chasing around the state, and were rewarded with such things as Slaty-backed Gull and Purple Gallinule. **Renee Davis** and **John Haas** upped their Sullivan County lists significantly with this effort.

As noted on the report form, only those lists submitted for 2002 are printed here. The only "hold-overs" are high counts reported in prior years that haven't yet been surpassed. They are at the end of this report.

The report form for 2003 will be in the January *New York Birders*.

An asterisk (\*) means the person named resides in the county reported.
