

## NEW YORK BIRD LIST REPORTS 2006

compiled by **Berna B. Lincoln**  
 PO Box 296, Somers NY 10589  
 BernaLincoln@aol.com

There is an unusually lengthy "previously reported high life lists" section at the end of this 2006 report as several people with the highest totals in multiple counties were not heard from. We hope they'll resume reporting for 2007. Nonetheless, 75 members sent reports, including newcomers **Hope Batcheller, Sam Jannazzo, Alfred Merritt, Barbara Merritt, Will Raup and Sean Sime.**

**Jerry Lazarczyk** became the 17th person to assemble lists from all 62 counties and **Bill Cook** hit the 50-or-better mark in all counties by hopping a MetroNorth train very early one May morning to bird Central Park in Manhattan (New York County). **Mickey Scilingo**, last heard from in 2003, has now made the threshold of 100 species in all ten Regions while making big gains in a number of counties. **Sean Sime** had a lot of fun and adventures on his quest for a very impressive "big year" total of 332 and **Gail Benson** has now reported 300+ annual lists for ten consecutive years.

**John Tramontano**, whose 288 should stand as the highest list in Orange County for many years, moved to Pennsylvania and let me know he'll no longer be reporting. When I queried **Mike Peterson** about what species took him to 273 in Essex County (topping the late **Geoff Carleton's** record), he was "almost embarrassed to say" it was thanks to the AOU. Cackling Goose, one photographed in 1976 and another seen in 1998 at Whallons Bay, were "put in the bank" and did the job.

Residents within counties are marked with \*. The 2007 report form is elsewhere in this newsletter; I hope lots of you will set to work filling it out and sending it in.
