

# NYSOA COUNTY AND STATE BIRD LIST REPORT 2013

Compiled by Carena Pooth - carena@prodigy.net

112 reports were submitted for 2013, up from 97 last year. 5 regional and 26 county records were broken this year. 13 participants reported from all 62 counties with **Jerry Lazarczyk** reporting at least 75 species in every county. 8 people reported at least 100 species in all 10 regions (**Bill Broderick, Bill Cook, Jerry Lazarczyk, Bill Purcell, Richard Rosche, Mickey Scilingo, Bill Watson, and David Wheeler**). **P.A. Buckley** continues his reign with the highest total for NYS Life List as well as Region 10, the Bronx, and all four counties on Long Island – setting new records in all of those categories. **Jay McGowan** set new records for Cayuga, Seneca, and Tompkins Counties, while **Willie D’Anna** did the same for Region 1, Niagara, and Orleans. **Brenda Best** now sits at the head of both the Madison and Oneida lists, and **Bob Spahn** bested his own previous records for Region 2, Livingston, and Monroe. The Region 9 and Orange County lists continue to be led by **Ken McDermott**, who set new records for both.

As always, the notes that people send in highlight the real reasons why we all go out there to build our lists. **Anders Peltomaa** was happy to add Brewster’s and Lawrence’s Warblers to his list – even though they did not increase his species count. **Gary Lee** noted that Snowy Owls have been a great treat this winter – a sentiment we undoubtedly all share – and **Jan Trzeciak** enjoyed taking friends to the landfill to see the Snowy that chose that site as its hangout.

**YOUNG BIRDERS:** Three reporters were under 18 on 12/31/13 – **Andrew Consler, Eamon Freiburger** and **Mark A. Magistro, Jr.** (their reports are marked with 🐦). Andrew, Eamon, and Mark are active Youth Members of NYSOA’S New York State Young Birders Club. Andrew, at the ripe old age of 14, already has over 200 species on his NYS life list. Mark just started birding in April 2013 but pursued it with such vigor that he has already listed more than 200 species in NYS. Eamon is the current President and Records Chair of the club. **Greg Lawrence** (a former NYSYBC President now attending college) sent his numbers again also, reporting from 46 counties with more than 50 species in 23 of them. Kudos and thanks to the parents of these young birders for driving them to great birding hotspots...you know – parks, beaches, wildlife refuges, swamps, landfills, water treatment plants...

Residents within counties are marked with an asterisk (\*). **Boldface** at the head of a list indicates a new high set in 2013. **Make sure your numbers will be included next time – PLEASE SEND IN YOUR 2014 TOTALS BY MARCH 1, 2015.**
