

COUNTY AND STATE BIRD LIST REPORT 2014

Updated May 2015 – see Errata at end of report

Compiled by Carena Pooth - carena@prodigy.net

We are deeply saddened by the passing, since last spring, of six avid, longtime contributors to this project: **Jerry Lazarczyk, Manny Levine, Stan Lincoln, Diana Teta, Otis Waterman, and Bill Watson**. Jerry had already topped 75 species in every county and was working on raising that bar to 100. Manny held the Nassau record for the first ten years. Diana jumped into the fray in 2005 and stayed near the top of the NYS life list roster from that year on. For the first 6 years of the project, Stan was one of the only two individuals reporting from all 62 counties. Otis held the record for Dutchess County from 2000 on, and his total will be very tough to beat. Bill passed away after a brief illness just before this report went to press; he had been a participant since 1996 and the third to report from all 62 counties. We will certainly miss these good friends and inspiring birders both in the field and in this lighthearted competition.

114 reports were submitted for 2014, two more than last year. **P.A. Buckley** again upped his NYS life list, maintaining the lead in that category (as well as in 6 regions/counties), and noted that he is “retiring” after 65 years of keeping track of his NYS bird sightings. He went on to say: “It has been a fascinating challenge, and living out of state for the last 40 years certainly added another dimension.” 6 regional and 25 county records were broken this year. 12 participants reported from all 62 counties, with **Bill Cook** the only one reporting at least 50 species in every county. 6 people reported at least 100 species in all 10 regions (**Bill Cook, Bill Purcell, Dick Rosche, Mickey Scilingo, Bill Watson, and Dave Wheeler**). **Jeff Bolsinger**, a newcomer to the project, set new records for Region 6, Jefferson, and St. Lawrence. Meanwhile **Bob Spahn** reigns in Region 2, Livingston, Monroe, and Wayne; **Willie D’Anna** kept the lead and improved on the new records he set last year for Region 1, Niagara, and Orleans; **Jay McGowan** is #1 in Region 3, Seneca and Tompkins; as is **Bill Purcell** in Region 5, Herkimer, and Oswego. Others maintained their lead in 2 categories they led last year: **Brenda Best** in Madison and Oneida; **Bill Krueger** in Region 7 and Clinton; **Ken McDermott** in Region 9 and Orange; and **Dick Rosche** in Allegany and Wyoming.

YOUNG BIRDERS: We always enjoy seeing young birders participating. Three of this year’s reporters were under 18 on 12/31/14 – **Andrew Consler, Eamon Freiburger** and **Avery Scott** (their reports are marked with 🐣).

A special thank you to all who sent notes with their reports; these are always interesting and fun to read. **Joe DiConstanzo** summed up 2014 this way: “A spectacular birding year in NYS - my best in decades.”

Residents within counties are marked with an asterisk (*). **Boldface** at the head of a list indicates a new high set in 2014. **Make sure your numbers will be included next time – PLEASE SEND IN YOUR 2015 TOTALS BY MARCH 1, 2016.**

Errata

The Bronx County list in the 2014 report published with the April 2015 issue of *New York Birders* was incorrect. It has been corrected in this online version of the report.

The NYS Annual List category has also been corrected to remove Michael Galas's entry, which he accidentally inserted in the wrong place on the form. Mike feels terrible that he ended up being listed as #1 there (that honor belongs to Shai Mitra); in fact, he said, he didn't meet the threshold of 200.
