

# COUNTY AND STATE BIRD LIST REPORT 2015

Compiled by Carena Pooth - carena@prodigy.net

103 reports were submitted for 2015, down from 114 last year. However, the number of people reporting in many counties was higher than last year, resulting in a longer report – so there is no space left for the map! It's in *The Kingbird* and on the website, though, in case you ever need to refer to it:

<http://nybirds.org/CountyLists/map-counties-kbregions.pdf>

This year, 17 participants included a life total for the brand new **Pelagic Zone** category, **David Klauber** taking first place with 80 species. 15 observers reported from all 62 counties, with **Bill Cook** and **David Klauber** bagging at least 50 species in every one of them. 4 people reported at least 100 species in all 10 regions (**Bill Cook, Bill Purcell, Dick Rosche, and Mickey Scilingo**). 3 new regional and 9 new county records were set.

**YOUNG BIRDERS:** We always enjoy seeing young birders participating. Two of this year's reporters were under 18 on 12/31/15 – **Andrew Consler** and **Eamon Freiburger** (their reports are marked with ♡).

**A special thank you** to all who took the time to send notes with their reports. It's always interesting and fun to read about your milestones, birding experiences, and new goals.

Sadly we note the passing of **Dorothy Crumb** in August and **Jeanine Smith** in December. Dorothy, a friend and birding mentor to many, held first place on the NYS life list from the time the project began in 1992 until 2004. Jeanine, lister Joanne Goetz's twin sister, got into county listing in 2007 and was an avid participant from then on.

Residents within counties are marked with an asterisk (\*). **Boldface** at the head of a list indicates a new high. ***New Notation:*** *Non-bold italics* at the head of a list indicate high record holder but unchanged from last year (record holders not reporting this year are at the end of the report as usual). **Finally, looking ahead to next year, make sure your numbers will be included – DON'T MISS THE MARCH 1, 2017 DEADLINE FOR 2016 REPORTS!**
