(a Member Club of NYSOA)

All lists submitted must **include only species recognized in *Checklist of the Birds of New York State***, available at <https://www.nybirds.org/Publications/ChecklistNYS.htm>, or in the latest booklet version (2024 edition). See below for more details.

Signature _____ Date _____

GENERAL INSTRUCTIONS

The species on the *Checklist of the Birds of New York State* are those accepted by our New York State Avian Records Committee (NYSARC). For your listing reports, **DO NOT INCLUDE** in your numbers any hybrids, subspecies, forms, released or escaped birds or **any species not yet on the official *Checklist***. Just a few examples of birds not to be included in your reports are: Chukar, "Great White Heron," "Brewster's Warbler," "Oregon Junco." In some cases, the bird may eventually be included in the *Checklist*; have patience. You may, of course, keep anything you want on your personal lists, but for reporting here, please conform to the rules we ask everyone to follow. ~ *No attempt is made to verify or edit any reports.* ~

Only one person's report per form. Make copies - both sides - for additional reporters.

NYS SELF-FOUND total for the year: How many of all the species on your NYS **2023 year list** you found without help -- For rules, see <https://punkbirder.webs.com/selffoundrules.htm>

All reports are for **Life** Lists with the exception of your (a) NYS 2023 **Year** List and (b) NYS 2023 **Self-Found** List, which includes only those birds **you independently** discovered during the year.

Boundaries of the ten KINGBIRD REGIONS: refer to any recent issue of *The Kingbird* or see <https://nybirds.org/CountyLists/map-counties-kbregions.pdf>. **INLAND WATER BOUNDARIES:** see <https://nybirds.org/ProjCountyLists.html>. **PELAGIC ZONE (PZ)** - The NYSARC/eBird/ABA NYS **Pelagic Zone definition:** Beginning 3 [statute] miles from shore and extending to the 200 nautical mile mark, with state boundary lines calculated using the NPoL/CPoL (Nearest/Closest Point of Land) method. See nybirds.org/CountyLists/PelagicBoundaries.htm for details. **PZ species should be included in your PZ, Region 10, AND Queens, Nassau, and/or Suffolk life totals.**

If possible, please submit data online: <https://nybirds.org/CountyLists/CountyReportingForm.html>
Otherwise mail completed paper form to: County Lists, 22 Brothers Rd, Poughquag, NY 12570
or SCAN & EMAIL THIS FORM to countylists@nybirds.org

NYSOA COUNTY & STATE LIST REPORT - 2023

Be sure to read and complete the other side of this page. Report all totals **as of 31 December 2023**.

No reports submitted in previous years are carried into the next published list - the slate is wiped clean each year. If you want your lists published this year, submit them on this form, even if they haven't changed.

For the State and Regional categories, there are reporting thresholds, as indicated. Reports below the thresholds will not be published. There are no thresholds for County Lists.
